Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Why do some people lead happy, successful lives whilst others face repeated failure and sadness? Why do some find their perfect partners whilst others stagger from one broken relationship to the next? What enables some people to have successful careers whilst others find themselves trapped in jobs they detest? And can unlucky people do anything to improve their luck and lives? Ten years ago, Professor Richard Wiseman decided to search for the elusive luck factor by investigating the actual beliefs and experiences of lucky and unlucky people. The results reveal a radical new way of looking at luck. In this book Wiseman identifies the four simple behavioural techniques that have been scientifically proven to help you attract good fortune. He then shows how you can use these methods to revolutionise every area of your life including your relationships, personal finances and career.
