This fabulous rags to riches story is destined to be a classic of inspirational and personal success literature. Its a long-awaited sequel to the greatest of all motivational books on personal wealth creation, The Richest Man in Babylon. A treasure for the 21st century, The Richest Man in Persia, by Brian Morgan, has been called a fascinating roadmap to personal success with peace of mind. Millions of people around the world have read and profited by The Richest Man in Babylon, by George S. Clason. In 1926, George Clason, from Missouri in America, issued the first of what was to become a famous series of pamphlets on financial success. He used parables set in ancient Babylon to make his points. The pamphlets were distributed by banks and insurance companies and were loved by millions of readers around the world. The most famous of these pamphlets was The Richest Man in Babylon, so this became the obvious title when a number of the parables were gathered together into a book. It has gone through many reprints and is still on best-seller lists some eight decades after George Clason first set pen to paper. Now read the story of The Richest Man in Persia. It contains the untold wealth secrets of Persia, as excavated from the ruins of the wealthiest city under the sun, Persepolis, not far from Babylon in the ancient Persian Empire, but its message is for the 21st century. Author Brian Morgan has won numerous state and national awards in journalism and a prestigious national award as an author. He has appeared on best-seller lists in the United States and the United Kingdom and has been translated for Chinese, Vietnamese...
