House of Stratus. Paperback. Book Condition: new. BRAND NEW, The Cleopatra Boy (New edition), Eric Malpass, William Shakespeare has reached middle age. England is at a critical point in its history: Queen Elizabeth is dead, James I is waiting to claim the English throne, and the plague menaces once again. William Shakespeare is a much-changed man. Returning to London from Stratford, he is struggling with his own personal crises - not least the death of his son, Hamnet. He no longer wants to write comic plays and his mind is obsessed with the story of a beautiful Egyptian queen and her Roman lover. This compelling and evocative sequel to Sweet Will is a magnificent portrayal of life in and around London's Globe Theatre.
