SPACE, TIME AND MATTER

Createspace, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.We show how the grand unified theory based on the proof of the four color theorem can be obtained entirely in terms of the Poincare group of isometries of space and time. Electric and gauge charges of all the particles of the standard model can now be interpreted as elements of the Poincare group. We define the space...
