Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Husband s Textbook: 52 Lesssons will most likely be purchased by a wife in the hopes that her husband will read it and learn how to become an even better mate. (So, what could it hurt to take a look inside because you can t really judge a book by its cover, can you?) Featuring a compilation of fifty-two short lessons dealing with marital issues that many couples encounter, The Husband s Textbook offers a compass, road map, thermometer, and ruler to help a husband gauge where he rates from being the man of the house to in the dog house. And, Wives, before you hand a copy to your guy, feel free to use your highlighters, underlines, circles and/or stars in those areas where you want him to pay particular attention. Becoming a married man is easy but becoming a good husband takes time and requires commitment. This book teaches from long experience how to strengthen and improve your marriage relationship. If you live long enough, sooner or later something will come along that will hit you hard. How will you react? Will you lie down and give up? Don t do that and don t leave your wife out of the solution. These are times when you really need each other for comfort, support and advice. Make plans to overcome. There is no weakness in asking for help when facing any type of need. We all need each other. Macho can be a weakness, not a strength.
