Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 228 x 226 mm. Language: English . Brand New Book. Award-winning photography/design team Harold and Phyllis Davis are back with a brand new volume in their new Photoshop Darkroom series. Picking up where their best-selling first book left off, The Photoshop Darkroom 2: Advanced Digital Post-Processing will show you everything you need to know to take your digital imaging skills to the next level. Great photographers know that the best images begin well before the shutter clicks, and certainly well before Photoshop boots up. Harold takes a step back, and shares his helpful tips for capturing the most compelling images possible by keeping in mind what type of post-processing you ll do before you start shooting. You ll also find complete coverage of important topics such as compositing, working with layers, and HDR. Packed with tons of eye-popping images which have won Harold national acclaim, this is a fantastic resource for photographers who want to think outside the box and create truly stunning artwork.
