Brand New Book ***** Print on Demand *****.Excerpt: .had been reading, but the volume was laid aside, and he was smilingly watching his wife as she sported with the boy in her lap. The little fellow was in exuberant spirits, and the parents, as a matter of course, were delighted. Finally he betrayed signs of weariness, and in a few moments was asleep in his mother s arms. I think it was a wise thing, for several reasons--that of changing your hour from the afternoon to the forenoon, said the wife. Why do you think so? We all feel more wearied and less inclination at this time of day for work than we do during the earlier hours. We could then be little together, but now nothing interferes with our afternoon s enjoyment of one another s society. That is true; but you see the Indians are more likely to be off fishing or hunting during the earlier part of the day. They have willingly conformed, however, to the change. I think it is more in accordance with your own disposition, smiled the wife, is...
