Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Numerology for Healing: Your Personal Numbers as the Key to a Healthier Life, Michael Brill, In NUMEROLOGY FOR HEALING, Michael Brill combines numerology with psychology, quantum physics and the concepts of gematria (the numerology of the Hebrew Language) and reincarnation to create a unique approach to healing emotional and physical problems based on life challenges and karmic lessons. Humans suffer from a profound sense of abandonment when the soul is decanted from the Universal Oneness into the confines of a personality. Brill explains how this sense of abandonment manifests itself in two principal types of behaviour: people work to be loved and appreciated for who they are or they try to control and micromanage their lives and relationships so that nothing goes wrong. Both of these behaviour patterns are exhausting physically, emotionally and mentally and are clear catalysts for illness. Brill details 185 physical and mental health conditions and shows how to identify and treat the causes - from addictions and Alzheimer's disease to thyroid problems, heart failure and cancer. For instance, he reveals that, in general, illnesses beginning with the letter A (acne and alcoholism) have issues of self-esteem as one of the basic causes, whereas illnesses beginning with letter G (gallstones and glaucoma) are associated with a need to be in control, in relationships or at work. By using the numerology of your birth date and name, NUMEROLOGY FOR HEALING makes it easy to identify your positive and negative tendencies and characteristics and to use them as the key to achieving a healthier life.\*Provides a clear method for identifying challenges specific to your birthday and name\*Details 185 health conditions and how to address the causes using numerology - from addictions and Alzheimer's disease to thyroid problems, heart failure...
