Touchstone Books, United States, 2015. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. The explosive novel by New York Times bestselling author Lisa Unger, which the Providence Journal called A simmering tale of romantic obsession and angst in the tradition of Body Heat or Fatal Attraction, laced with the noirish spirit of James M. Cain. Wonderfully crafted and beautifully executed. Falling in love can feel like a dream or a living nightmare. Darkness has a way of creeping up when Ian is with Priss. Even when they were kids, playing in the woods of their small upstate New York town, he could feel it. Still, Priss was his best friend, his salvation from the bullies who called him loser and fatboy and from his family s deadly secrets. Now that they ve both escaped to New York City, Ian no longer inhabits the tortured shell of his childhood. He is a talented and successful graphic novelist, and Priss Priss is still trouble. The booze, the drugs, the sex Ian is growing tired of late nights together trying to keep the past at bay. Especially now that he s met sweet, beautiful Megan, whose love makes him want to change for the better. But Priss doesn t like change. Change makes her angry. And when Priss is angry, terrible things begin to happen.
