Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Conundrum Press. Paperback / softback. Book Condition: new. BRAND NEW, Dear Canada Council/Our Starland, Emily Holton, Dear Canada Council / Our Starland is a reversible book of two novellas and 40 drawings. It is the first in the Conundrum Doubles series. Dear Canada Council is an illustrated plea for plane tickets, in which the narrator details her plans to "found a town." Complete with Incas, crickets, and a small family of deaf-mutes, her written request doubles as what also might be the craziest love poem you've ever read. Awestruck and sleepless in Hamilton, she is haunted by visions of celebrity reporter Brian Linehan, obsessed with a young boy she saw once on the TV news, and just wants to do better, get married, and wear a sash, a red mayor's sash. Can't Canada Council help her out? Our Starland is a novella broken into small, dreamy pieces. Flash by flash, its pieces ferry a cast of characters through a season as they navigate the fruit picking diaspora of the Okanagan Valley. Hitchhiking, nightwalking, these characters remember the constellations wrong, leave their daughter alone, and sleep outside, once again, but with a sleeping bag this time.
