N. Simonson Company, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An old man hikes and climbs in the wilderness -- a scientist seeking God. Visions and voices heal him as he finds his way. It s early afternoon as I hike into this high meadow and see the glacier. I ve been alone on the trail for days but now, suddenly, there are carnival tents! She never said anything about this! A barker sits in his cage and eyes me cautiously. What is this place? I ask. He points to red lettering on a bright yellow banner that announces: The Only Real House of Mirrors. Smaller, black letters say, Enter at your own risk. How much? I ask. He points to another sign. That s a lot, I complain. Silence. I pay the barker his fee, enter, and follow the tent curtains along a twisting passage. It s dark. Up ahead I see an exit at the back of the tent. That s it? Feeling chagrined I leave the tent and follow a path up towards the ice. I look back only once; the tents are gone.
